

Pixoo

SLINGBAG

Pixoo-Slingbag is a stylish sling that suit your taste, with versatility for the daily urban life. It features a built-in LED screen which when paired with the mobile app, lets you create art, display your favourite logos, and communicate with others. Create any pixel art animation easily via the Divoom mobile application, or convert GIFs to display. You can also type in a message and display it on your Slingbag while on the move! Best of all, you can search your desired design from the a massive online gallery, and interact with other pixel art fans around the world.

- ✔ Paired with the Divoom smart phone app for hand drawn or pre-drawn designs
- ✔ Fast release magnetic buckle makes it super easy and quick to clip on/off
- ✔ Features a large dual side open pocket to fit all of you daily essentials
- ✔ Weather resistant design
- ✔ Lead Time: 2-3 Weeks
- ✔ MOQ: 10 units

Massive Gallery

Contributed by the community.
Never run out of creative ideas.

Versatility

Sling, chest bag, fanny pack,
wear it anywhere and
anyway you want!

Pack for the day

Small in size, but enough room for
all of your daily essentials.
