

PRECISION SCREWDRIVER SET

31-IN-1 PRECISION MULTI-TOOL

The 31-in-1 precision screwdriver set features a push-to-eject metal case, revealing an array of precision bits, tweezers, metal spudger and a slim precision driver with a magnetic tip holder and spinning base. *Tip: to remove the driver, push the two arrow tabs and the driver will pop up.*

This incredibly useful screwdriver set is the perfect gift for any handyman and will cover any task you have to take on. The included bits cover the following screw types and are stamped on the side and include plastic colour bands for easy identification:

Phillips/cross-head

PH000, PH00, PH0, PH1

Flat-head

SL1.5, SL1.7, SL2.5, SL3.0

Torx
