

Smart Wireless Cable Set

Multi Cable+Wireless Pad

Wireless Charging pad with built-in Multi-cable storage - the Smart Wireless Cable Set has everything you need to charge your devices. On the bottom of the set, you have a Type-C to Type-C charging and data transfer cable, Type-C to USB adapter, Type-C to Lightning adapter and a Type-C to Micro-USB adapter, along with a SIM card pin and SIM card storage slots. On the other side of the product, you have wireless charging capabilities- simply plug the product into a power source with the included stored cable and adapter to begin charging. With a large branding area on the top of the product and a smaller print area on the back, the Smart Wireless Cable Set is the perfect innovative wireless and cable solution.
